FACE TO FACE FAT WRECK (Time wasted by :

Don't Turn Away CHORDS
-YOU'VE DONE NOTHING / You don't know what you
want to be/you don't know what
You want to do/never going to amount to much of
anything/so what's the differ-
ence if you win or lose?/well that's something/well isn't
that something/you
Have done nothing and it's never your fault/you've
done nothing/don't care
Where your friends have gone because you never
really needed them anyway/never
Going to be exactly who you are because you try too
hard to be just like them/
You've got brains in your head/feet in your shoes/you
can steer yourself anyway
You choose/you're on your own/and you know what you
know/and it's up to you to
Decide where you'll go/ I'M NOT AFRAID / I didn't want a
second chance/now
That's exactly where I am/back where I didn't want to
be/back where I knew
You'd find me out/I've never been afraid of you/I never
will admit the truth/
I know there's something I can do/I'm not afraid to face
myself/but is it me
Or something else?/makes me exactly what I am/that's
something I will always
Doubt / DISCONNECTED / you don't know a thing about
me/is there something that
You should know?/I can tell you what you want to
hear/let your inhibitions
Just go/no you don't know what you will give up/you
don't know what you want/
It may take you years to find out/you don't know what
you need/it's something
That may never come to you/trust is something that
comes easy/when you've
Never been a victim/lies and promises and words are
said/it's your decision to
Accept them / NO AUTHORITY / there is someone who

knows everything there is to
Know/there is someone who is too afraid to let it
show/we live by consequences
/we never seem to get it right/conflict of
circumstances/and sometimes we may
Lose a fight/wouldn't you know/something is going
wrong/wouldn't you know/
Something is really wrong/no you have no authority/no I
am who I want to be/
There are those of us who just sit back and never
try/there are those of us
Who just sit back and never wonder why / I WANT /
everybody wants the truth/
But everybody lies/everybody wants proof/but
everybody's blind/so open your
Eyes/I really don't know much of anything at all/but I'll
admit we're all the
Same/you ask for forgiveness and make the same
mistakes/and I'll admit we're
All the same/I want to know/do these words mean
anything?/how can this life
Mean something more than what it seems?/everybody
wants equality/but we're all
Prejudice/we're all hypocrites/everybody wants the
world/but we have nothing /
YOU'VE GOT A PROBLEM / so what's the problem now
this time?/I thought you'd
Learn by now that nothing ever works out right/you
want to take away the edge/
You tell me it's the only thing that helps you to
forget/you've made your
Promises/that's not enough this time/there's only so
much you can squander
From a feeble mind/you've got a problem with your
life/you've got a problem
With your mind/don't try to tell me that you think it's
gonna work out fine/
So go ahead and try to hide/the world around you
watches on as you destroy
Your life/do what your problem says/there's not a lot of
time / EVERYTHING IS
EVERYTHING / We've got a lot of questions/we've got a
lot to learn/so tired of
Solving problems/too many bridges burned/we see it
all too clearly and still
We close our eyes/who should we understand it?/what
good is knowing why?/I
Know that life can be filled with these changes/I know
there's time when I
Fell like I'm failing/I know something in my life will
change again/Now I've

Got a lot of questions/I've got a lot to learn/I'm tired of
solving problems/
Too many bridges burned/I can't change the past/I
want to move ahead/I want to
Understand it/give me the reason why/I'm tired of
running these circles in my
Life/I've seen the future it changes before my eyes and
I know there's some-
Thing that's going to change in my life/I know
something in my life will
Change again / I'M TRYING / 4 year old at play/shot and
killed today/never
Even had a chance/17 and high/threw away his life/has
a gun to feel like he's
A man/can't have it any other way/laying in the
street/asking for a drink/
Doesn't have a place to love/pregnant at 13/still can
hear the screams/some-
Thing that she never will forget/can't have it any other
way/I'm trying to
Open my mind/so you can keep your faith/and I'll just
walk away/there's no
Reason for me to stay/I'm trying to open my mind/I'm
trying to make up my mind
/ PASTEL / another falls in place/you wonder if you're
only human/it's blood,
Dust and paste/we're held together by a single
thread/must be a reason for us
To justify it/but no one will defy it/What is it with this
place/or is it that
I'm missing something?/you want to see my face/when
I can't even see it for my-
Self/I don't want a game that I don't know how to
play/just go away/and I
Don't want to know how to play/can't I make it just go
away?/don't you under-
Stand what these problems will demand?/make it just
go away/I don't want a
Game that I don't know ho to play/just go away /
NOTHING NEW / there is some-
Thing new/put in front of you/nothing you don't
understand/don't try to ration-
Alize/no one hears your lies/only you can
comprehend/you don't want to see/you
Don't want to hear/you don't want to feel at all/tell me
that you've tried/
Mind is open wide/but you're not listening at all/please
don't question me I
Don't have the time/if there's a problem then it's easier
to set aside/there
Is nothing that will make you want to change your

mind/you can't take it/you
Can't make it so why try / WALK AWAY / don't want to
hear what you said/don't
Want to kick you in the head/don't want to live my life
that way/don't want to
Give in but I don't want to be victimized/don't want to
live my life that way/
Walk away/try to see things in a different way/don't
want to tell you your
Place/don't want to get in your face / DO YOU CARE / do
you want to make a
Difference?/do you wonder what would happen if you
don't?/do you need just a
Little push?/do you try to change?/do you think about
the other guy?/do you
Want just one good reason why you should?/do you
only think about yourself?/do
You want to be left alone?/you're running out of
time/and I don't see a change
In you/and I don't think you're gonna make it/do you
understand the way it
Works?/do you want to take as much as you get?/do
you need a little push?/do
You try to change?/we're running out of time and there
aren't changes made/
And I don't think we're going to make it / 1,000 X / I've
tried to ask the
Question/must be a million answers that just aren't
there/you try to find your
Self/I'll try to live my life/I just don't care/take a look at
your life/tell
Me can you say you've done no wrong?/ask yourself
the question/do you realize
Where you belong?/I've been down/I've been out/I've
been there/I've been down
This road a thousand times/nothing ever looks the
same/it seems there's some-
Thing more I might never see-
