Now you've made it up, it's all inside your mind
Now you've given up, you don't know what's there if
you don't try
So you've given in along with all of your friends
And you're still alone the means don't always justify the
end

Ordinary, ordinary
A look in the mirror is not enough
What makes you think that you're not one of us?
A look in the mirror is not enough
What makes you think that you're not one of us?

If you make it up and start to use your mind
It isn't difficult you don't know what's there if you don't
try

Ordinary, ordinary
A look in the mirror is not enough
What makes you think that you're not one of us?
A look in the mirror is not enough
What makes you think that you're not one of us?

A look in the mirror is not enough
What makes you think that you're not one of us?
A look in the mirror is not enough
What makes you think that you're not one of us?

Ordinary, ordinary
Ordinary, ordinary
