"Pathetic"

It feels like there's nothing I can do
It feels like there's nothing left to do
Always feels like I must
Wait
Just a while
Because "anything worth having is worth the wait"
So it seems
That this waiting's left us somewhere in-between

It feels like there's nothing I can do
[A, Pathetic lyrics on]

It feels like there's nothing left to do

Blind ambition is overrated
Apathetic bored and jaded now

You forget something
I wanted to be left alone
