Seen the carnival at Rome
Had the women, I had the booze
All I can remember now
Is little kids without no shoes

So I saw that train and I got on it
With a heartful of hate and a lust for vomit
Now I'm walking on the sunny side of the street

Stepped over bodies in Bombay
Tried to make it to the U.S.A.
Ended up in Nepal
Up on the roof with nothing at all

And I knew that day I was going to stay
Right where I am, on the sunny side of the street
Been in a palace, been in a jail
I just don't want to be reborn a snail

Just want to spend eternity
Right where I am, on the sunny side of the street

As my mother wept it was then I swore
To take my life as I would a whore
I know I'm better than before
They will not be reconstructed

Just wanna stay right here
On the sunny side of the street
On the sunny side of the street
On the sunny side of the street
Sunny side of the street
