God is a man.

It's alright.
Everything is fine.
You live the perfect life.
Never one immoral thought
Inside your mind.

What they say, does it make you feel ashamed?
Isn't everyone the same?
Does it matter that it wasn't your idea?

God is a man.
You know for certain.
The Knowledge, in and of itself
Is more than we deserve.

So you tried,
You've made up your mind.
Something's still not right.
The Devil you don't know is still outside.

What they say, does it make you feel ashamed?
Isn't everyone the same?
Does it matter that it wasn't your idea?

God is a man.
You know for certain.
The knowledge, in and of itself,
Is more than we deserve.

God is a man.
You know for certain.
The knowledge, in and of itself,
Is more than we deserve.

What they say, does it make you feel ashamed?
Isn't everyone the same?
Does it matter that it wasn't your idea?

God is a man.

You know for certain.
The knowledge, in and of itself,
Is more than we deserve.

God is a man.
You know for certain.
The knowledge, in and of itself,
Is more than we deserve.

It's more than we deserve.
It's more than we deserve.
It's more than we deserve.
