She went away for the holidays  
Said she's going to l.a.  
But she never got there  
She never got there, she never got there, they say  
She went away for the holidays  
Said she's going to l.a.  
But she never got there  
She never got there, she never got there, they say  
The kkk took my baby away  
They took her away  
Away from me  
The kkk took my baby away  
They took her away  
Away from me  
Now I don't know where my baby can be  
They took her away from me  
They took her away from me  
I don't know where my baby can be  
They took from me  
They took from me  
Ring me, ring me, ring me up the president  
And find  
Out where my baby went  
Ring me, ring me, ring me up the fbi  
And find out if baby's alive  
Yeah, yeah, yeah  
O-o-o-o-o-o o-o-o-o-o-o  
Yeah, yeah, yeah  
O-o-o-o-o-o o-o-o-o-o-o

She went away for holidays  
She went away for holidays  
The kkk took my baby away  
The kkk took my baby away  
They took my girl

They took my baby away
