50.000 ways to make  
Another one of your mistakes  
Tearing down what we build up  
Tell me when it's gonna...  
Stop the time that we let pass  
For reasons we can't understand  
Maybe it's a little late  
But I think it is worth the...  
Wait, stop listen please  
This is not a little breeze  
It's a storm that we are in  
This is making my head...  
Spin around, around again  
Make ourselves a brand new plan  
Saving this companionship  
Try to get a grip

Close your eyes  
Turn your head  
Walk away  
Don't look back  
Close your eyes

Swallowing it all for you  
I think I had a glass to...  
Many thoughts have slipped my mind  
Can I tell you one more time  
I am loosing faith in you  
Without a doubt without a...  
Clueless, mindless, thoughtless moves  
I don't know which path to choose  
It's hard but we have to admit  
That we have to quit

It's gone too far  
This is too hard

We're driving each other in a corner

We are drowning ourselves  
So just let me go
