Oh Cindy, ain't you noticed
That several of your friends have moved on
And the street outside is just a little too quiet
And your local papers run out of news
I'm not persuading you or disengaging you
But Cindy you and me gotta move

Can you refuse, no time to lose
We'll hit the high road early this mornin'
So don't be late, don't hesitate
This dream can pass just as fast as lighting

Oh Cindy, incidentally, baby I ain't puttin' you on

Can you refuse, with nothin' to lose
We'll hit the high road early this mornin'
So don't be late, don't hesitate
This dream can pass just as fast as lighting

Oh Cindy don't you worry
'Cause between us we can make it through
There ain't nothin', no no nothin'
In the world I can do without you

So Cindy get your coat on
Leave the rent with the gent up in the penthouse
Turn your music so loud, let's attract a big crowd
And drink a round to this town and bid goodbye
Baby
