Verse 1: I'm On The Scene, Still Making My Green, And
Ya Girl Is Constantly
Letting Me In Between, I Stays On The Block Getting My
Hustle On,
Everytime I'm On The Block I'm In The Zone, Niggas
Betta Not Get Smart
With Me, They Betta Watch They Tone, Keep Fuckin
Around They Will
Get Blown, All I Can Do Is Watch My Life, Gotta Stay
Away From Niggas
Out Here Acting Shiest, They Shit Ain't Cool, You Can't
Do One Good
Thing And Think You Rule, I'm That Type Of Nigga To
Beat Ya Ass,
Next Thing You Know You Gon Be Sniffing Nothing But
Trash, You Ain't
Never Been Hot, And Ain't Never Been The Type Of
Person To Rock The
Spot, Everytime I Turn Around You On Somebody's
Jock, You Need To Stop,
I Stays Up And I Don't Associate With No Cops, I Keeps
The Rocks And
Creeps The Blocks, If A Nigga Got Beef He Will Get
Dropped, I Stays With
The Heat, And I Make Sure I'm Always Deep In The
Streets, If My Boys Got
Beef, Then I Got Beef, I Don't Care Who You With I'll
Knock Out Ya Teeth.

2x> Why You Still Tellin Lies
At First You A Thug
Now You Scared To Ride
Wipe The Tears
They Falling Out Ya Eyes
'cause In These Streets
It's Either Do Or Die

Verse 2: Pick Ya Self Up, Ya Leaking, Now You Acting
Like A Bitch By Streaking,
First You Quit Smokin, Now You Ain't Drinkin, You
Thought You Wuz

Raw, Now You Lost A Brawl, Now You Got Niggas Testin
Ya Jaw, Niggas
Like That Get Blasted At, And When I Blast I'm Gon
Make Sure He Can't
Blast Back, My Niggas Got Me And I Got They Back,
That's How It Is When
You Roll And Be Real, 'cause Shit Like This Just Happen
To Be Ill, Niggas
Ain't Gotta Be A Thug To Kill, Niggas Stay Hatin But I'm
Thuggin It Still,
I'm Like MJ When He Wuz On Courts, Just Feed Me The
Pill, If It Ain't
Bangin I'm Gon Make It Spill, I Push Niggas Straight To
The Back Of The
Bus, Niggas Betta Run If They Got Problems With Us,
And I Don't Care What
Nobody Say, 'cause It's Only My Niggas I Know I Can
Trust.

2x> Why You Still Tellin Lies
At First You A Thug
Now You Scared To Ride
Wipe The Tears
They Falling Out Ya Eyes
'cause In These Streets
It's Either Do Or Die
