(whitfield, strong, penzabine)

Sunshine, blue skies, please go away
My love has found another, gone away
Withered up my future, my life is filled with gloom
Day after day I stay locked up in my room
I know to you it might sound strange
But I wish it would rain
Curse so badly, I don't want to go outside
Everyone knows that a man ain't supposed to cry
Listen, I've got to cry, 'cause crying sheds the pain
To the world outside my tears I refuse to explain

I wish it would rain
Let it rain
Looking down at my tear stained face pressed against
the window pane
But I search the sky desperately for rain
'cause raindrops will hide my teardrops, no one will
ever know
When I'm crying, crying when I go outside
To the world outside my tears I refuse to explain
I wish it would rain
Let it rain
