(I know) I'm losing you

Your love is fading,  
I can feel your love fading,  
Woman it's fading away from me

Cause your personal touch has grown cold  
As if someone else controls your very soul  
I fooled myself long as I can  
I can feel the presence of another man

It's there when you speak my name  
It's just not the same  
Oh honey I'm losing you

Can feel it in the air  
It's there everywhere  
Oh I'm losing you

Can feel it in my bones  
Any day you'll be up and gone  
Oh I'm losing you

It's all over your face,  
Someone's taken my place,  
could it be, that I'm losing you

When I look into your eyes  
a reflection of a face I see  
Oh lord, I'm losing you

I'm hurt, downhearted and worried girl  
Cause that face doesn't belong to me

Your love is fading, can feel it fading  
oh away from me  
Can feel it in the air, it's there everywhere  
Ooh I'm losing you  
I don't want to lose you, but I know I'm gonna groove ya  
Ooh I'm losing you

Your love is fading, can feel it fading

Oh lord, I'm losing you.
