Wait a minute, honey  
I don't think your joke's too funny, no  
I stayed up all night  
Checking out the doctor's guide

Wait a minute, honey  
Stop pretendin' you're a bunny  
Well, I might've guessed  
You been to see a specialist

I remember you said  
That we gotta keep abreast of time  
But obviously you don't know  
Where to draw the line

Well, don't try and tell me  
It's a what you been eating  
Since when have you been 44 around the  
Get on with the song, yeah

At the Moulin Rouge  
Tell you, baby we could knock 'em dead  
Just sign right here  
All I need is 10 percent

Well, now, you make me feel  
Like a pimp in the White House  
For a senator's daughter  
You're stealin' all the headline news  
Oh, the headline news

Oh, shake me, shake me  
Shake me up all night long  
We all need a laugh  
And I guess you're just the one

Well, you got more front  
Than the Hague Museum  
Oh, home grown silicone  
You really got the best of me

You really got the best of me

Alright, the best of me  
Ooh, yeah
