Like Nas, When
He Fucked Up Pras, I Straight Play You Like A Game

Even Made, I'm The Nigga To Slice You Down To Your
Knees And
Then Give You A Fade, Take You Around The World
Then Make You
A Trade, While You Out Tryna Sling Crack, I'll Be At Your
House Digging
Out Ya Girls Back, That's The Easiest Way To Stress It In
This Hot
Ass Rap, I Spit Out Hot Bars, While Niggas Get Paid To
Drive Me Around
In Hot Ass Cars.

2x> The Things I Do Is Just To Raw
I'm That Nigga That's Testing Ya Jaw
I Stays On My Feet During Every Brawl
Don't Care Who It Is 'cause They Still Gon Fall

Verse 2: The Things I Do Is Very Simple, While I'm
Fucking Ya Girl, We'll
Be Getting Very Sentimental, When I Touch Her It's Not
Gon Be Gentle,

She Wanna Be Tough, I'ma Give It To Her Rough, Next
Thing You Know
She Gon Be On All Types Of Stuff, But I Stay's Smoking

I'm That Nigga That's Testing Ya Jaw
I Stays On My Feet During Every Brawl
Don't Care Who It Is 'cause They Still Gon Fall
