Sit right down if you can spare me a minute  
I got a tale that's bound to break your heart  
Concerns my brother who's thin and played violin  
Got it in his head that an IQ was all you need

He went his way, I couldn't discover mine  
I didn't worry if I ever saw him again  
He's made a profit while I don't even own a pocket  
And the last I heard he was sitting at the top of the tree  
For a minute

Late last night reading my Underground Press  
Came a knock on the door, thought it was the Third  
World War  
Lord above, I did not recognize him  
I said, "Have a cup of coke, kid, maybe that's all you  
need"

He said, "The smell of the city, kid, it's trying to kill me  
My eyes are getting muddy, Christ, I'm aging fast  
With my kind of music, I knew it wasn't gonna to be  
simple  
But have a quick listen, kid, maybe that's all you need"

Don't stop, you make me feel much better  
Tell me, my brother, do you think that's all I need?  
Yeah yeah

Don't it make you happy?  
Well, well, well, well, well  
That's all you need  
[Incomprehensible]

That's all you need  
And that's all you need  
And that's all you need  
And that's all you need

Come on  
Yeah, yeah, yeah, yeah

That's all you need

That's all you need  
That's all you need  
That's all you need

That's all you need  
That's all you need  
That's all you need  
That's all you need
