Featuring Ivan Matias]

See the birds as they fly away

Making things for another day

And the hearts of the lonely ones

Found in you they can trust

There goes the light again

Oh I don't mind having your attention

And I hope in time

That the whole world will listen

\*Do little things today, do little things to do

Do little things 'cause I know what it means to you (2x)

\*Do little things today, do little things to do

Do little things 'cause I know what it means to you
