"Hero"

There's a hero if you look inside your heart you don't
have to be afraid afraid of who you are, there's an
answer if you reach into your soul and the sorrow that
you know will learn to live

And then a hero comes along
With the strength to carry on and you cast your fears
aside and you know you can survive
So when you feel that hope is gone look inside you and
be strong and you'll finally see the truth that a hero lies
in you
It's a long road when you face the world alone no one
reaches out of hand for you to hold
You can find love when you search within yourself and
the emptynes you felt will dissappear

And then a hero comes along with the strength to carry
on and you cast your fears aside and you know you'll
survive so when you feel like hope is gone look aside
you and be stong and you finally see the truth that a
hero lies in you

Wuuuh no no no you got a heart to follow you don't let
any one
Tear you away hold on their will be tomorrow in time
you'll find a way

(Aaahh)
Then a hero comes along
(Noooo)
Woyh the strength to carry on and you cast you fears
aside and you know you can survive so when you feel
that hooope is gone look aside and be strong and youl
finally see the truth that a hero lies in yooooou that a
hero lies in you ooh

That a hero lies in you

(Song plays till end)
