[Talib Kweli]

So many emcees focusin on black people  
extermination

We keep it balanced with that knowledge of self,  
determination

It's hot, we be blowin the spots, with conversations  
C'mon let's smooth it out like Soul Sensation

We in the house like Japanese in Japan, or Koreans in  
Korea

Head to Philly and free Mumia with the Kujichagulia  
TRUE

Singin is swingin and writin is fightin, but what  
they writin got us clashin like titans it's not excitin

No question, bein a black man is demandin

The fire's in my eyes and the flames need fannin (3X)

With that what? (Knowledge Of Self) Determination

[singer]

Things I say and do, may not come quite through

My words may not convey just what I'm feelin

[Talib Kweli]

Yes yes come on, yes yes

Knowledge Of Self is like life after death

With that you never worry about your last breath

Death comes, that's how I'm livin, it's the next days

The flesh goes underground, the book of life, flip the  
page

Yo they askin me how old, we livin the same age

I feel the rage of a million niggaz locked inside a cage

At exactly which point do you start to realize

That life without knowledge is, death in disguise?

That's why, Knowledge Of Self is like life after death

Apply it, to your life, let destiny manifest

Different day, same confusion, we're gonna take this

hip-hop shit and keep it movin, shed a little light

Now y'all bloomin like a flower with the power of the

evident

Voices and drums original instruments  
In the flesh presently presentin my representation

With that what? (Knowledge Of Self) Determination

[Talib Kweli]

The most important time in history is, NOW, the present  
So count your blessings cause time can't define the  
essence

But you stressin over time and you follow the Roman  
calendar

These people enter Cona like Gattaca, you can bet  
they tryin to lock you down like Attica, the African  
diaspora

represents strength in numbers, a giant can't slumber  
forever

I know you gotta get that cheddar whatever

Aiyyo I heard you twice the first time money, get it  
together

You must be History, you repeatin yourself out of the  
pages

You keepin yourself depleatin your spiritual wealth  
That quick cash'll get your ass quick fast in houses of  
detention

Inner-city concentration camps where no one pays  
attention

or mentions the ascension of death, til nothing's left  
The young, gifted and Black are sprung addicted to  
crack

All my people where y'all at cause, y'all ain't here  
And your hero's using your mind as a canvas to paint  
fear

With, broad brush strokes and tales of incarceration  
You get out of jail with that Knowledge of Self  
determination

Stand in ovation, cause you put the Hue in Human  
Cause and effect, effect everything you do  
and that's why I got love in the face of hate  
Hands steady so the lines in the mental illustration is  
straight

The thought you had don't even contemplate  
Infinite like figure eight there's no escape..

From that what? (Knowledge Of Self) Determination

Things I say and do, may not come quite through
