Fall in love
Why can't you fall in love
You need someone to love
Someone who really cares

And when you're feeling down
And when you're feeling low
You can reach out for me
You've got somewhere to go

[CHORUS]
All of my love
Baby, you've got it
All of my love
Can't do without it
Just say the word
Darling, I will be there

All of my love
Baby, you've got it
All of my love
Can't do without it
Just say the word
I'll show you how much I care

I saw you toss a coin
Into the good luck pond
Maybe somehow I knew
You needed someone

So when you're feeling down
And when you're feeling low
You can reach out for me
You've got somewhere to go

[Repeat CHORUS]

All of my love
Baby, you've got it
All of my love
Can't do without it
Just say the word

I'll show you how much I care

[Repeat CHORUS 2x]

All of my love
Can't do without it
Just say the word
Darling, I will be there
