From the beginning
You were my life
And through the seasons
I made the sacrifice

And now I remember
What you did to me before
It keeps bringing me down

And the relation
Tore me apart
You were so clever
Girl, it broke my heart

Now I remember
Cause I can't forget the past
It keeps spinning around

Darling, somehow
Now that you're gone
I am a new man
I write you letters
And throw them away
Only a fool keeps hanging on
The world slips away

[CHORUS]
Coming down from love
And I wonder why it takes so long
Cause I keep holding on

Coming down from love
And I wonder why it takes so long
Tell me where I went wrong

Through all the changes
Love was so blind
But I continued
Keeping an open mind

Now I remember
Cause I can't forget the past

It keeps spinning around

Darling, somehow
Now that you're gone
I am a new man
I write you letters
And throw them away
Only a fool keeps hanging on
The world slips away

[Repeat CHORUS 5x to fade]
