Each place I go  
Only the lonely go  
Some little small  
Cafe

The songs I know  
Only the lonely know  
Each melody  
Recalls a love that used to be

The dreams I dream  
Only the lonely dream  
Of lips as warm  
As May

That hopeless scheme  
Only the lonely scheme  
That soon somewhere  
You'll find the one that used to care

And you recall  
Each fun time  
Those picnics at the beach  
When love was new

It well could be  
The one time  
A hopeless little dream  
Like that comes true

If you find love  
Hang on to each caress  
And never let  
Love go

For when it's gone  
You'll know the loneliness  
The heartbreak  
Only the lonely know
