I guess you wonder where Ive been
I searched to find a love within
I came back to let you know
Got a thing for you and I can't let go

My friends wonder what is wrong with me
Well Im in a daze from your love, you see
I came back to let you know
Got a thing for you and I can't let go

Some people go around the world for love
But they may never find what they dream of
What you wont do, do for love
Youve tried everything but you don't give up
In my world only you makes me do
For love what I would not do

But then I only want the best it's true
They can't believe the things I do for you
What you wont do, do for love
Youve tried everything but you don't give up
In my world, only you makes me do
For love what I would not do
Makes me do for love what I would not do
