You are precious
Make me special
I am ugly, lost in you beauty

All around me
no one can love me
I am sorry
I am so dirty

I break, falling further each day
make these bad dreams go away
you touch me, feel you touching me
I break, make it go away again....

All around me
why won't you trust me
I am dirty
from where they touch me

I break, falling further each day
make these bad dreams go away
you touch me, feel you touching me
I break, make it go away again....

All I want is someone to love me
but who can ever love a freak
every day it's all the same, but I live this.

I don't know why, but i keep on giving
I am a child traped in you'r adult world
no one can love
call me a little girl
oh and you push me
you make me so loving
you push me I'm nothing
so why won't you trust me.

I break, falling further each day
make these bad dreams go away
you touch me, feel you touching me
I break, make it go away again....

You are precious
Make me special
I am dirty
from where they touched me.
