Who you tryin' to get crazy with Ese?
Don't you know I'm loco?

To the one on the flam
Boy, your temper just toss that ham
In the fryin' pan like spam
Feel done when I come in slam
Damn, I feel like the son of Sam

Don't make me wreck shit, hectic
Next to the chair got me goin'
Like General Electric
Een, the lights are blinking
I'm thinking
It's all over when I go out drinking

Oh, makin' my mind slow
That's why I don't fuck wit da big four-o
Bro', I got ta maintain
'Cause a cracka like me is goin' insane

Insane in the membrane
Insane in the brain
Insane in the membrane
Insane in the brain

Insane in the membrane
Plenty insane, got no brain
Insane in the membrane
Insane in the brain

Do my shit undercover
Now it's time for the blubba, blabba
To watch that belly get fatter
Fat boy on a diet, don't try it
I'll jack your ass like a looter in a riot

Much too fat like a sumo slammin' that ass
Leavin' your face in the grass
You know, I don't take a dulo lightly
Punks just jealous 'cause they can't overwrite me

So kick that style, wicked, wild
Happy face nigga never seen me smile
Rip that mainframe, I'll explain
A nigga like me is goin' insane

Insane in the membrane
Insane in the brain
Insane in the membrane
Insane in the brain

Insane in the membrane
Going insane, got no brain
Insane in the membrane
Insane in the brain

Insane in the brain
In the brain
It's because I'm loco

Insane in the brain
In the brain
It's because I'm loco

Insane in the brain
In the brain, insane
It's because I'm loco

Insane in the brain

Like Louie Armstrong played the trumpet
I'll hit dat bong and break ya off something soon
I got to get my props, cops
Come and try to snatch my crops

These pigs wanna blow my house down
Head underground, to the next town
They get mad when they come to raid my pad
And I'm out in the night blue scad

Yes, I'm the pirate pilot of this ship
If I get wit' the ultraviolet dream
Hide from the red light beam
Now do you believe in the unseen?
Look but don't make your eyes strain
A cracka like me is goin' insane

Insane in the membrane
Insane in the brain
Insane in the membrane
Insane in the brain

Insane in the membrane
Plenty insane, got no brain
Insane in the membrane
Insane in the brain

Insane in the brain
It's because I'm loco
Insane in the brain
It's because I'm loco

Insane in the brain
It's because I'm loco
Insane in the brain
It's because I'm loco

I think I'm going crazy
