Move love get on your feet
We're gonna break the concrete
Drive bulldozers down the street
We're gonna make the concrete
Move love get on your feet
We're gonna shake the concrete
Lift that slab find a beach
We're gonna make the concrete move

Darling did the earth move for you this time
Well stone me, you've certainly got an axe to grind

Mind's mixed up but the flesh is willing
I'd like to help you out but it's me you're drilling

Move love get on your feet
We're gonna break the concrete
Drive bulldozers down the street
We're gonna make the concrete
Move love get on your feet
We're gonna shake the concrete
Under the flagstone lies a beach
We're gonna make the concrete move

Time runs wild I'm up to my neck in sand
Ooh lover all I need's a steady hand
Shake it, shake it

Move it, move it
You're nobody
Move it, move it

Think I'm cracking up ev'ry word abstraction
No more thick as thieves with the violent faction

Move, love get on your feet
We're gonna break the concrete
Drive bulldozers down the street
We're gonna make the concrete
Move love get on your feet
We're gonna shake the concrete

Lift that slab find a beach
We're gonna make the concrete move

Darling did the earth move for you this time
Well stone me, you've certainly got an axe to grind

Move it, move it
You're nobody
Move it, move it
'Cause you live in concrete
