Sunday morning, rising sun,  
I hear the voice from heaven now  
And listen to the bells.  
Jesus Christ I come to you,  
My parents said  
You speak the true,  
But I don't know why.  
Words from you come  
To me so unreal,  
So far away from me.  
Can you ever  
Understand what I feel,  
Your image don't see.

Never dying hero  
To your mind I can't stay.  
Never dying hero  
To a phantom never pray.  
Never dying hero  
See you on judgement day.  
Never dying hero.

Your revenge comes right from the stars,  
Your blood runs in so many wars which  
You could never win.  
Your tears are falling down on earth,  
The rivers, oceans overflow  
To drown your sins in unexpiated sins.  
People say the  
Lord is everywhere.  
You see all what we do.  
Why do you accept  
When we make mistakes.  
You let us kill the world.

Never dying hero  
To your mind I can't stay.  
Never dying hero  
To a phantom never pray.  
Never dying hero  
See you on judgement day.  
Never dying hero.

Never dying hero  
To your mind I can't stay.  
Never dying hero  
To a phantom never pray.  
Never dying hero  
To your mind I can't stay.  
Never dying hero  
See you on judgement day.
