Hay ro ja frum bat er sia!

From the city to the isle of dogs
Low life and high rise
From the city to the isle of dogs
You'd better close your eyes

Hey young executive
You've moved to the island
With your shady deals
And your wheeling and a dealing
Get a cheap thrill from someone's
Home that you are stealing
Low life
You'd better close your eyes
'Cos this is no life
From the city to the isle of dogs

Well it's hard to make a living
And it's hard to find some loving
But with his finger on the pulse
And money in his pocket
When something's up he nose
His shares are gonna rocket
To the high life
You'd better close your eyes
'Cos this is no life
From the city to the isle of dogs

East enders
Street vendors
Money lenders
Big spenders
Defenders
All genders
Pretenders
Law benders
From the city to the isle of dogs
Low life and high rise
From the city to the isle of dogs
You'd better close your eyes

Low life and high rise
High life
Free enterprise
