A piece of plastic  
Around my neck  
Tie a rope  
Leave me for dead  
Feel my skin  
Deep within  
Touch me now  
The unmasked sin

I can't let go  
I can't hold on  
She hates me now  
My faith is gone  
Lost forever in  
This darkened hate  
What can I do?  
Nothing but wait

It warms my heart  
The old lost place  
She's un-reformed  
And has no face  
Her skin is tender  
And close to break  
All this hell  
Is what we make.  
She calls to me  
I can't go back  
My common sense  
Is what I lack  
The plastic burns  
As it stings and hates  
Like my burden  
Longing to fate
