So many things I never got to say  
and I sure as Hell can't write them all down.  
I'm lost in a sea of pain  
and you left me to drown.

Every time we fly we fall back down  
but then again lifes never been kind.  
You're blind and you're groping around.  
What you hoping to find?

Chorus:

If I was a hero, would you let me rescue you?  
If I was a holy man, would you listen to my truth?  
If I was a better man, could you love me then?  
I find it hard to believe.  
Could you love me, If I wasn't me?

Like a spoiled kid from a wealthy home  
A toy that you own is already old.  
You keep wanting but you're all alone  
And your hearts growing cold.

Oh how I really wish to stay around  
but I'm tired of wallowing in all my pain

Now it seems it's your turn to drown.  
Still you push me away.

Chorus:

If I was a hero, would you let me rescue you?  
If I was a holy man, would you listen to my truth?  
If I was a better man, could you love me then?  
I find it hard to believe.  
Could you love me, If I wasn't me?

All that I am,  
All that I'll be  
I can change it all  
Who do you need me to be?

If I was a hero.  
If I was a holy man.

If I was a hero.  
If I was a holy man.

If I was a better man, Could you love me then?  
I find it hard to believe.  
If I was a hero.  
If I wasn't, me.  
If I wasn't me.  
If I wasn't me.

If I wasn't, me
