You're just too good to be true
Can't take my eyes off you
You'd be like heaven to touch
Oh, I wanna touch you so much

At long last love has arrived
And I thank God I'm alive
You're just too good to be true
Can't take my eyes off you

Pardon the way that I stare
But nobody else can compare
The sight of you makes me weak
There are no words I can speak

And if you feel as I feel
Oh, let me know that it's real
You're just too good to be true
Can't take my eyes off you

I love you, baby
And if it is quite alright
I need you, baby
To warm up my winter nights
I love you, baby
So trust in me when I say, when I say

Oh pretty baby
Don't let me down, I pray
Pretty, pretty baby
Now that I have found you'll stay
And let me love you, baby
Come let me love you

You're just too good to be true
Can't take my eyes off you
You'd be like heaven to touch, mama
I wanna touch you so much

At long last love has arrived
And how I thank God I'm alive
You're just too good to be true

Can't take my eyes off you

Oh, you're just too good to be true
Can't take my eyes off you
You're just too good to be true
Cannot take my eyes off you

You're much, too much to be true
Won't take my eyes off you
You're just too, too, too
Can't take my eyes off you

And you're too good to be true
Will not take my eyes off you, no way
