Just yesterday mornin', they let me know you were
gone
Suzanne the plans they made put an end to you
I walked out this morning and I wrote down this song
I just can't remember who to send it to

I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again

Won't you look down upon me, Jesus
You've got to help me make a stand
You've just got to see me through another day
My body's aching and my time is at hand
I won't make it any other way

I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again

Been walking my mind to an easy time, my back turned
towards the sun
Lord knows when the cold wind blows, it'll turn your
head around
Well there's hours of time on the telephone line to talk
about things to
come
Sweet dreams and flying machines in pieces on the
ground

I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you baby, one more
time again, now

Thought I'd see you one more time again
There's just a few things coming my way this time
around now

Thought I'd see you, thought I'd see you, fire and rain
now
Na na na. Na na na na na na na na na na. Na na na na
na na na na

I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you baby, one more
time again, now

Thought I'd see you one more time again
There's just a few things coming my way this time
around now
Thought I'd see you, thought I'd see you, fire and rain
now
