There's a story the Gypsies know is true  
That when your love wears golden earrings  
She belongs to you

An old love story that's known to very few  
But if you wear these golden earrings  
Love will come to you

By the burning fire they will glow with every coal  
You will hear desire whisper low in your soul

So be my Gypsy  
Make love your guiding light  
And let this pair of golden earrings cast their spell  
tonight

By the burning fire they will glow with every coal  
You will hear desire whisper low inside your soul

So be my Gypsy  
Make love your guiding light  
And let this pair of golden earrings cast their spell  
tonight

Let this pair golden earrings do their work tonight  
Yes, let this pair golden earrings cast their spell tonight
