Sadness had been  
Close as my next of kin  
Then happy came one day  
Chased my blues away

My life began when happy smiled  
Sweet like candy to a child  
Stay here and love me just a while  
Let sadness see what happy does  
Let happy be where sadness was

Happy, that's you  
You made my life brand new  
Lost as a little lamb was I  
Till you came in

My life began when happy smiled  
Sweet like candy to a child  
Stay here and love me just a while  
Let sadness see what happy does  
Let happy be where sadness was  
Till now

Where have I been?  
What lifetime was I in?  
Suspended between time and space  
Lonely until

Happy came smiling up at me  
'Cause sadness had no choice but to flee  
I said a prayer so silently  
Let sadness see what happy does  
Let happy be where sadness was  
Till now
