I Guess I'll Have To Change My Plan
(Howard Dietz/Arthur Schwartz)
Warner Bros. Inc./Arthur Schwartz Music, ASCAP

I guess I'll have to change my plan
I should have realized there'd be another man
I overlooked that point completely
Until the big affair began

Before I knew where I was at
I found myself on a shelf
And that was that

I tried to reach the moon
But when I got there
All that I could get was the air
My feet are back upon the ground
I lost the one girl I'd found

Before I knew where I was at
I found myself hung up on a shelf
And that was that

I tried to reach for the moon
But you know when I got there
All that I could get was the air
My feet have returned the ground
I lost the one girl
I lost the one girl
Lost me the one girl I had found
