Close your eyes, close the door
You don't have to worry any more
'Cause I'll be your baby tonight

Shut the light, shut the shade
You don't have to be afraid
'Cause I'll be your baby tonight

Give me a little time

Mockingbird is gonna sail away
We're gonna forget it
Big old moon is gonna shine like a spoon
We're gonna let it, you won't regret it

Little girl kick your shoes off, have no fear
Bring that bottle over here
And I'll be your baby tonight

Give me a little room

Mockingbird is gonna sail away
We're gonna forget it
Big old moon is gonna shine like a spoon
We're gonna let it, you won't regret it

Little girl kick both them your shoes off, have no fear
Bring your own self over here
And I'll be your baby tonight

Give me a little time

And I'll be your baby tonight
Don't you take away all my covers
And I'll be your baby tonight
