It had to be you, it had to be you  
I wondered around and finally found somebody who  
Could make me be true, could make me be blue  
And even be glad just to be sad thinkin' of you

Some others I've seen might never be mean  
They might never be cross or try to be boss  
What they wouldn't do

Nobody else gave me a thrill  
With all your faults, I love you still  
It had to be you, wonderful you, had to be you

Some others I've seen, they might never be mean  
Might never be cross or try to be the big boss  
What they wouldn't do

There ain't nobody else that gives me a thrill  
With all your faults, I love you still  
It had to be you, wonderful you, it had to be you
