Long ago and far away, I dreamed a dream one day
And now, that dream is here beside me
Long, the skies were overcast, but now the clouds have
passed
You're here at last

Chills run up and down my spine, Aladdin's lamp is
mine
The dream I dreamed was not denied me
Just one look and then I knew
That all I longed for long ago was you

Chills run up and down my spine, Aladdin's lamp is
mine
The dream I dreamed was never denied me
One look and then I knew
That all I longed for long ago was you

That all I longed for long ago
Just one look and then I knew
That all I longed for long ago was you
