If you are wondering  
What I'm gonna do  
While you are sleeping  
Am I sleeping too

Well, I'm just  
Sitting here loving you  
Close my eyes and loving you  
I'm just sitting back  
Sitting here loving you

I have been wondering  
Just what I would do  
If I weren't sleeping  
Had I not found you

I'd be outside finding you  
Walking on the avenue, finding you  
Well, I'm just sitting back  
Sitting here loving you

Now the reason that you  
Never see me running round  
Fingers on my forehead  
Couldn't calm me down

She can even get me up on my feet  
When I've got to take care of  
Some business on the street

I have been walking  
All my streets alone  
I could keep walking  
To keep from going home

I couldn't quite  
Barely concieve of you  
Now I can't conceive  
Of ever leaving you

Cause I'm just sitting back  
Sitting here loving you

I have been walking  
All my streets alone  
I could keep walking  
To keep from going home

I couldn't quite  
Barely concieve of you  
Now I can't conceive  
Of ever leaving you

Cause I'm just sitting back  
Sitting here loving you

I'm just sitting back  
Sitting here loving you

I'm just sitting back  
Sitting here loving you
