[S.H.E]

Do Do Do Do Do...

[ELLA]

Thanks for your gentleness
Holding love, waiting quietly
My two hands
Are actually shaking

[HEBE]

But what can I give you?
I'm just somebody he forgets
My heart has been emptied with a sweep

[SELINA]

I will plant you in my heart
Maybe one day
I will finally grow another dream

[JIRO & CALVIN]

Don't know, Don't understand, Don't want
Why, my heart
Obviously wants to go closer
Yet I'm lonely til' dawn

[WU ZUN]

Don't know, Don't understand, Don't want
Why, my heart
The beauty of love
Is always in loneliness

[AARON]

Giving you the best of my best love again

[ELLA]

Thanks for your gentleness
The candlelight that lights up the smile
Only warmth that doesn't disturb my winter

[SELINA]

Haven't decided where to go

That's why I can't promise to let you accompany me
Afraid you will become me

[HEBE]

I will plant you in my heart
Maybe one day
I will finally grow another dream

[WU ZUN & CALVIN]

Don't know, Don't understand, Don't want
Why, my heart
Obviously wants to go closer
Yet I'm lonely til' dawn

[JIRO & CALVIN]

Don't know, Don't understand, Don't want
Why, my heart
The beauty of love
Is always in loneliness

[FAHRENHEIT]

Giving you the best of my best love again

[S.H.E]

Do Do Do Do Do...

[FAHRENHEIT]

Don't know, Don't understand, Don't want
Why, my heart
Obviously wants to go closer
Yet I'm lonely til' dawn

[FAHRENHEIT]

Don't know, Don't understand, Don't want
Why, my heart
The beauty of love
Is always in loneliness
Giving you the best of my best love again

[S.H.E]

Thanks for your gentleness

[ELLA]

The candlelight that lights up the smile

[S.H.E]

Only warmness that doesn't disturb my winter
Haven't decided where to walk
That's why I can't promise to let you accompany me
Afraid you will become me
