where ever you are X2 â€¦â€¦ I'll always be there,
be there, be there.

Feel so good to hold you, and have to my self,
Say you'll never leave me, and fall for someone else,
Human ray of light, let your fires burning, girl I hold
you tight.
Start to stay forever, you'll never break my heart,
Seems the perfect story, is under at the stars,
Need to tell you more, yes you know the reason,
You what I'm leaving for.

RIT: Wherever you are I'll keep on waiting,
If ever you need me I'll always be there,
Stop moving around I'll keep on searching,
Whatever you do let me know that you careâ€¦â€¦X2

I can change the feeling, that slow day by day,
Say you'll always love me, and never walk away,
We can reach the stars like the highest mountain,
Baby will make it come true.

RIT: Wherever you are I'll keep on waiting,
If ever you need me I'll always be there,
Stop moving around I'll keep on searching,
Whatever you do let me know that you careâ€¦â€¦X2

Wherever you are, wherever you are, wherever you
areâ€¦

RIT: Wherever you are I'll keep on waiting,
If ever you need me I'll always be there,
Stop moving around I'll keep on searching,
Whatever you do let me know that you careâ€¦â€¦X2
