Afraid to be alone again
I'm calling out your name
Come to me now
Cause I need you more
More than ever before

Help me find my way
Back into your arms again
I need some peace of mind
With small faith I am
When the wind sets in
And I begin to drown
Stretch out your hand (Stretch out your hand)
Save me again, oh my God
Oh my God help me find my way

Help me find my way
Back into your arms again
I need some peace of mind

The waves are quickly crashing down from overhead
I'm doubting for the last time

I've done so much, and you know (Lord you know)
Please take me tonight
I've done so much, and you know (Lord you know)
Please take me
Help me find my way
Back into your arms again
I need some peace of mind
The waves are quickly crashing down from overhead
I'm doubting for the last time
