I'm making this my song  
Cuz I just can't take it anymore  
I'm torn from all  
I'm torn from all my wrong  
And I don't want to  
I don't want to fake it anymore  
You'll be a part of what's become a mess  
And look at what I've done  
I've kicked this buoy self condemning ascent

When it feel so wrong  
Take me down  
Just to build me up  
What's the reason for keeping up?  
He's worth living for

The darkened heart and uselessness

Your knowing hands will mold me again  
You darkened heart and uselessness  
Your knowing hands will mold me again

When it feel so wrong  
Take me down  
Just to build me up  
What's the reason for keeping up?  
He's worth living for  
Take me down  
Just to build me up  
What's the reason for keeping up?  
He's worth living for

I'm making just one stop  
And I can't take it anymore
