She's ain't shy I'm in love  
Going crazy  
'Cos she's everybody's darling  
It's partytime, as soon she's around.

Rings me up late at night  
Never lazy  
Now I'm acting like a perfect fool But still I can't turn  
her down.

My temperature is rising,  
Each time she is in sight  
I know I'm cracking up  
One night.

She's driving me crazy way beyond belief  
She's the kind of love, that tastes so bittersweet  
- No matter what I'm trying  
She gets me on the run.  
Grabs me in the evening  
Rocks me 'till the dawn.

There's a look in her eyes  
Spells like trouble  
But I know she's got a magic touch  
That feels like heaven on earth.

I don't know, where she'll take me  
I don't know where I've been  
The only thing I know's  
She wins.

She's driving me crazy way beyond belief  
She's the kind of love, that tastes so bittersweet  
- No matter what I'm trying  
She gets me on the run.  
Grabs me in the evening  
Rocks me 'till the dawn.

[Solo]

She's got the magic touch that's what I need

She's driving me crazy way beyond belief  
She's the kind of love, that tastes so bittersweet  
She's driving me crazy night by night  
I guess I got to quit her, to make it out alive

Crazy I guess I'm going crazy...
