Walking on the streets  
Restless in the heat  
Looking for a way to go.  
And the night is coming slowly  
Bringing the emotion.

Coming to a fight  
On the other side running for a mile or two.  
Still I'm running onto nowhere  
Captured by emotion.

A fire burns me up in the night  
The heat of emotion  
Only your love can make me survive  
The heat of emotion.

And you got me by the neck  
And took my breath away  
Then you told me cool it down.  
'Cos if love is going nowhere  
You're a victim of emotion.

A fire burns me up in the night  
The heat of emotion  
Only your love can make me survive  
The heat of emotion.

The heat of emotion...

[Solo]

'Cos if love is going nowhere  
You're a victim of emotion.

A fire burns me up in the night The heat of emotion  
Only your love can make me survive  
The heat of emotion.

Heat of emotion  
Heat of emotion
