Timmy is an average kid that no one understands.
mom and dad and vicky always giving him commands

BED TWERP!

The doom and gloom up in his room is
broken instantly
by his magic little fish they grant his every wish
coz in reality they are his..

Odd parents, fairly odd parents
wands and wings
floaty crowny things
odd parents, fairly odd parents
really mod
pea pod
buff bod
hot rod

Obtuse, rubber goose, green moose, guava juice,
giant snake, birthday cake, large fries, chocolate
shake!!

Odd parents, fairly odd parents, it flips the lid when you
are the kid with fairly odd parents

yeah right!
