We're Pixies,

Yeah

We're Pixies!

We're Pixies!

Check out our rap, we get mixies,
We've got square heads,
Big pointy caps,
Clean out your ear, and hear my rap

Yo HP YO! you're in charge,
I may be small, but my goals are large,
I'm Not a hater but I must cater
My mission ambition is to be a dictator!

I'm Sanderson, I'm Anti-Fun
Yeah and all those Fairies can bite my bun

Cause my boss HP
We're gonna be
The big time rulers!
You Got that G,

We're pixies!
Get pixies!
And since the 1960s

We raised that clown to be our tool
To beat the fairies so we can rule!

We're pixies,
We're pixies,

It's going just as predict-zeeez

We can't stop now the time is near
When fairy world and this world here will be ruled
By us you hear, by us you hear!
By Pixies, yeah!

Strong Like Bill Bixby,

We're pixies, yeah,
We're pixies, yeah

WE'RE PIXIES! YEAH!
