Many Times I Fought
With a Burning Desire
These Old Feelings Ran High
And the Heart was on Fire

Many Dreams I Dreamt
And Sad Tears were Falling
Many Rivers I Crossed
Still the Call Keeps Me Calling

Sometimes I Got Lost
In Emotions - Hard to Fight
Everytime I was Found
I was Taken Straight Back to Light

Still I Believe - Someday
Still I Believe - Somehow We Will Find a Way
A Way Out of All Misery and Faith is the Key
Still I Believe

Promises Broken
And the Bad Taste of Bitterness
Make the Strongest Heart Break
Put a Soul to The Wilderness

And in Nights I Feel Restless
All Alone on My Own
There's a Light That Keeps Shining
There is a Way Home

Sometimes I Got Lost
In Emotions - Hard to Fight
Everytime I was Found
I was Taken Straight Back to Light

Still I Believe - Someday
Still I Believe - Somehow We Will Find a Way
A Way Out of All Misery and Faith is the Key
Still I Believe - Still I Believe

SOLO

Some Times Come Hard
And There're Times That Don't Come at All
There are Times I Give Up
But Still I Can Hear the Call

Still I Believe - Someday
Still I Believe - Somehow We Will Find a Way
A Way Out of All Misery and Faith is the Key
Still I Believe
