I see you smile, such a silent smile
A bittersweet emotion
From deep inside your eyes

And sometimes in the night
As you whisper in your sleep
You reach out like you used to
And then it cuts so deep

For the love that I am sending
Now it's drifting with the wind
And the faith I'm still pretending
It's a fight my heart can't win

Just tell me I'm wrong
Just tell me this love ain't gonna die
Just tell me I'm wrong
Whatever you need I'll make it right

Just don't keep me hanging on, girl
To a dream your heart can't find
And don't you know, it's breaking mine?

I roam the streets
Trying to read your mind
A drifter going nowhere
For now these eyes are blind

But somewhere in that night
There's a dream that drives me on
No matter what it takes now
'Cause still it seems so strong

But the love that I am sending
Now it's drifting with the wind
And the doubts, they're never ending
It's a fight my heart can't win

Just tell me I'm wrong
Just tell me this love ain't gonna die
Just tell me I'm wrong
Whatever it takes I'm gonna try

Just don't keep me hanging on, girl
To a dream your heart can't find
And don't you know, it's breaking mine?
No, no, no, breaking mine

Just tell me I'm wrong
Just tell me this love ain't gonna die
Just tell me I'm wrong
Whatever you need I'll make it right

Just don't keep me hanging on, girl
To a dream your heart can't find
Don't you know, don't you know
You're breaking mine? You're breaking mine
