

## Fair Warning

### "Winter Rose"

Visit "[Winter Rose](#)" on MotoLyrics.com

Precious winter rose  
Beautiful and rare  
Precious winter rose  
In the garden there

Now there's only thorns  
In the garden there  
All of the petals are tattered and torn  
Scattered everywhere

And the hand that crushed the winter rose was mine  
Yes the hand that crushed the winter rose was mine

Yes the hand that crushed the winter rose was mine  
Was mine  
Yes the hand that crushed the winter rose was mine  
Was mine

Was mine

Yes the hand that crushed the winter rose  
Was mine  
So beautiful and rare
