You gotta use your imagination
And think of some fascination
This world- you're in it
And its you yes when you're willing
To pay the price
Sometimes getting there its a sacrifice
It won't be, it can't be, it won't be, it can't be
It ain't gonna be to nice

(CHORUS)

Ya Gotta Luv It
Ya Gotta Feel it
Ya Gotta Mean it
Ya got to use your Imagination
Ya Gotta Luv It
Ya Gotta Feel it
Ya Gotta Mean it
Ya got to know it when you see it!
Don't try to be above it
Cause doing what you love fits
Don't be afraid to luv it
When folks try to turn you around and around
It helps you luv yourself
It shows to everyone else
That you won't quit
You won't stop
You won't quit
You ain't gonna turn around

(CHORUS)

Ya Gotta Luv It
Ya Gotta Feel it
Ya Gotta Mean it
Ya got to use your Imagination
Ya Gotta Luv It
Ya Gotta Feel it
Ya Gotta Mean it
Ya got to know it when you see it!

Use your imagination
And think of some fascination
This world- you're in it

And its you yes when you?re willing
To pay the price
Sometimes getting there-- its a sacrifice
It won?t be, it can?t be, it won?t be, it can?t be
It ain?t gonna be to nice
