Darling you, you send me
I know you send me
Darling you send me
Honest you do
(Honest you do, oh honest you do)
Darling, you, you thrill me
(You thrill me)
Oh you, you thrill me
(You thrill me)
(Oh darling you thrill me)
You honestly thrill me
Honest you do
(Woah, honest you do)

At first I thought it was infatuation
(I never thought I would fall in love)
But oh, how it's lasted for so long
(Baby it's lasted so long)
And now I just find myself wanting
To marry you (marry you) and take you home
Woah

You, you send me
You send me)
Oh you send me
(You send me)
Oh darling, you send me
You honestly send me
Honest you do
(Woah honest you do)

Ooh-oooh
